

FRIENDS OF OUR NEW HOSPITAL MEDIA RELEASE

News for Release
20 February 2020

RELEASE BEGINS

Friends of Our New Hospital Formed to Accelerate Completion of New Hospital

A group of Islanders has announced the formation of Friends of Our New Hospital, a non-profit organisation based in Jersey. Friends of Our Hospital will act as an independent and objective source of information, commentary and advice on Island Health Care in general and in particular on the Government's "Our Hospital Project."

Bruce Willing, Chair of the Steering Group for Friends of Our New Hospital commented:

"Our objective is to create and sustain a public campaign to assist Our Government in accelerating the completion of the new hospital. We will make every effort to mobilize public opinion and to lobby Our Government to ensure progress is made as soon as possible.

Other members of Friends of Our Hospital group include Islanders Tom Binet, Graham Bisson, Peter Funk, Andy Howell and Jean Lelliott. A Friends of Our Hospital website is under development and further information and contact details will be posted shortly. In the meantime, anyone who is interested in learning more about the hospital project and contributing to the campaign is welcome to make contact with any of the group.
